## DIRECTOR'S NOTES

How exciting! I think this is the first time our BCTjr cast is comprised of over 50% "first-timers"! We first performed this show in 2014 and couldn't be more excited to bring it back to life eleven years later, with one original cast member in the mix. It has been an absolute joy working with these children ages 7-18 who have been very polite, respectful and attentive during rehearsals. With a cast of 45, teamwork makes the dream work. Sincere thanks to our small but mighty production team (listed below) who helped bring this classic story to the wonderful BCT main stage. Enjoy!
